February 2017

Hi Gang,

I am very pleased that you will be joining me in Las Vegas for the 2017 15h International Fashion Doll Convention! We are very pleased to welcome you! I have planned many of the exciting activities normally and not normally found at conventions. You will find the Salesroom as well as Workshops, Seminars and surprises. The Souvenirs and Favors are planned to enrich your memories of the event.

Additionally, there will be a few unique events. Like the Bertie's Salesroom where everything is \$15 and under. Plus there will be the exciting Freebie Tables, The Slot Tournament, The Bowling Tournament and a Treasure Hunt through the Casino. A double plus is our Souvenir Shop which opens right after the final night's banquet so you can purchase extra dolls that you signed up for or wait to see if there are extras after that to purchase. You may sign up as soon as you've registered for the convention.

If you would like to contribute to the surprise element, you can prepare 250 goodie bag items (no plain business cards) and send them to Bruce Nygren, 7882 McDowell Dr., Las Vegas, NV. 89129-5522 for inclusion in the bags. **DO NOT SEND ANY BOXES WHERE BRUCE NEEDS TO SIGN FOR THEM OR PICK zTHEM UP AT THE POST OFFICE! OTHERWISE THE BOX WILL BE RETURNED TO YOU!** Put your name and email address on each gift so that you may be thanked properly, and label the shipping box "IFDC GOODIE BAGS".

Please make your hotel reservations as soon as possible at the Orleans Resort and Casino, 1-800-675-3267. Mention that you are an attendee of the International Fashion Doll Convention (Code **A7IFC07**) and you will be charged for the first night's fee. The rates are \$40 plus tax Sunday thru Thursday and \$80 plus tax for Friday and Saturday (subject to change). You can take a shuttle to the hotel, or you may take a short cab ride to the hotel. You can easily get a cab or shuttle right outside the airport terminal by the luggage pick up. I would estimate the cab fee would be about \$23 with tip and the shuttle is about \$17 round trip. If taking a cab, tell the driver to go down Tropicana since that is a shorter way and cheaper.

Please read the material in this packet very carefully (no extra charges for my spelling mistakes). Pay attention to deadlines as some are firm. It is a wise idea to keep copies of all the forms that you send back to me.

You must attend each event to receive your souvenirs and goodies. Plus your Name Tag **MUST** be worn at all times. Registration are non-transferable without permission.

IMPORTANT

A \$50.00 cancellation fee will be charged for all registrants requesting cancellation prior to May 1, 2017. After May 1, 2017 **NO** part of the registration will be refunded and there will be **NO** mailings of items and souvenirs from the convention. In other words, you'll get nothing!

Look forward to seeing you in Las Vegas.....and if you have any questions, please feel free to ask!

Rules & Regulations

Name Badges: Attendees must wear their name badges at all times to gain admittance to any and all functions. If you do not have your name badge, not only will you be turned away from events so you can go back to your room to get it....we'll also make you eat in the lobby or rest room on a snack tray. Anyone caught giving their name tag to others to sneak in will be thrown out of the convention after a barrage of "F" bombs.

Access to Convention: Only individuals registered for the convention are allowed at the convention functions. An exception is salesroom access for convention dealers' non-registered helper. They will have a salesroom helper name badge so they have access. NO non-registered helper can attend any other event and they know who they are. Though they may not know, since they have been drawn and quartered and have been banned from the IFDC.

Cancellations: There will be a \$50 cancellation fee for anyone who cancels before May 1, 2017 and after May 1, 2017 no part of the registration fee will be returned and no convention goodies or souvenir doll will be mailed out. We have to make money some way since I already ordered your meals and favors and the homeless are real fussy about leftovers.

Convention Souvenirs: In order to receive your souvenirs, including but not limited to the convention doll, attendees must be present at the convention events at the time the souvenirs are given out. No asking around what the goodies are so if you think they're junk you'll stay away to play the slots or see Donny and Marie at another hotel. If there is a major problem, just see me. Don't schedule your flight home early so you miss out on the souvenir doll and companion doll. Buck the traffic like everyone else, and no thinking you're special. Remember that those who leave the party early get talked about.

Pets: Pets are not permitted at any convention function or at the hotel. An exception is made for animals assisting those in need. Also if your registered mate is called a dog, rat, snake, weasel or whatever, they will only be permitted at the events if they can prove that they can pee without lifting one leg.

Cameras and Filming: It is advised that you bring your cameras and video equipment to take home some good memories of a special time and new friends.....not to mention the wild costumes. So keep affairs home!

Stealing: Stealing is not acceptable at the IFDC. Anyone caught stealing (this does not include the soap and toiletries in your hotel room) will be prosecuted to the fullest extent and if that doesn't work, your hands will be cut off and put on display at the 2018 IFDC. Remember that Vegas has cameras all over the place watching you, so don't be dumb.

Cranky Aes and Snobs:** No cranky a**es and snobs are allowed at the IFDC. If you are one of those, please leave the attitude home and just come expecting to have a fun time...and let everyone else have a fun time. Little goofs are fine, since I never trust anyone who is happy 24 hours a day either....but no major continuous, annoying attitudes allowed.

Safety: Please remember safety at the convention, and the IFDC is not responsible for injuries at the convention. Please be aware of your surroundings, especially those with motorized wheelchairs...we are not responsible for tire marks on your butt.

Purchasing and Checks: Be wise.....and unless you know someone really well, never pay for an item without receiving the merchandise right then and there. Be wise and know the person first before paying for something you will receive at a later date. Also never take a check from someone you don't know, it's always better to play safe than be sorry later....no matter what tales or sob stories they may give you.

Also the IFDC does not have a credit card machine, so when purchasing things from the IFDC either cash or check will work..... and those who bounce checks and don't make up for them will be announced at the next year's convention and on the internet....so think twice about scamming!

Shipping Items to Bruce Nygren

Certain convention items can be shipped ahead to Bruce Nygren, to be held until IFDC. Bruce and Peter really help the IFDC by letting us mail the convention things to them, which they store in their home. That is why I ask you not to send them things that have to be signed for or that they have to go pick up. Also, don't send personal things to Bruce because we have to load trucks and unload trucks and unpack things, so we only want things directly for the convention going to Bruce's home.

You must clearly label each package with its contents, such as "Raffle Donations", "Freebie Table Donations", "Goody Bag Donations", etc. Remember, **NO PERSONAL ITEMS, AND DO NOT SEND ANY BOXES WHERE BRUCE NEEDS TO SIGN FOR THEM OR PICK THEM UP AT THE POST OFFICE! OTHERWISE THE BOX WILL BE RETURNED TO YOU!**

**Bruce Nygren
7882 McDowell Dr.
Las Vegas, NV. 89129-5522**

In the next few weeks there will be a "Forms" section of the website (www.ifdconline.com) for Raffle Donation slips, mailing labels or other printable forms that may be useful.

Workshops

Edwardian Upholstered Round Settee (\$20)

Durelle Brown

Thursday, 9:00—10:30 a.m.

Durelle_deco@yahoo.com

It was not unusual during the Edwardian period in England to find fine country estates such as “Downton Abbey”. These lavish domains were enormous with many room both formal and conventional. Often the foyers were bigger than most of our living rooms today. To furnish these spaces it took lots of big furniture. One commonly found piece of furniture was a round settee, which would be in the center of the room and could seat 4-6 guest.

Last summer lots of workshop attendees requested that I repeat a past workshop, the upholstered boudoir chair, so I thought this special round sofa would be a perfect pairing with the Edwardian period and convention theme. We should be able to complete the 1/6th scale sofa in class which has the same construction as the chair, a challenge in the time we have but easy enough for a beginner to do. We will be covering it in neutral panne velvet, which should work in most doll house décors, and pairs well with the screen we did last summer. If you need a special color you are welcome to bring along 1/4 yard panne velvet to class.

**As always please bring to class a good pair of scissors that will cut fabric and paper, and a scoring tool such as a stitch ripper or a straight edge ruler. All other materials will be in the kit provided. I can not guarantee it, due to the weight and bulk of this project, but there may be a limited number of extra kits for sale.

Vintage Dressmaker Mannequin Form (\$20)

Durelle Brown

Friday, 9:00—10:30 a.m.

Durelle_deco@yahoo.com

In this workshop, we will be creating a fun and easy 1/6 th scale dress form to use as décor for your doll house sewing room or to show off a fabulous fashions for your dolls. This is an easy beginner class using my favorite components, cardboard and glue. Get ready for some sticky fingers. It is truly a cut and paste project and you will be thrilled with the outcome. These dress forms will be for decorative use, not intended to use as a fit mannequin to drape on.

**As always please bring to class a good pair of scissors that will cut fabric and paper, and a scoring tool such as a stitch ripper or a straight edge ruler. All other materials will be in the kit provided. I can not guarantee it , due to the weight and bulk of this project, but there may be a limited number of extra kits for sale.

Seminars

To be Announced on IFDC Yahoo Group (\$10)

Thursday, 5:00—6:30 p.m.

A Wave From Japan! (\$10)

Denise Travers, Chiaki Hirakawa

Friday, 11:00 a.m.—12:30 p.m.

dtdoll38@yahoo.com

Don't miss out on this exciting event and many surprises from our friends from the other side of the world. If you are into Azone dolls plus Misaki, Pure Neemo, Japanese Exclusives and more, you won't want to miss out on this exciting event. Just ask others who have attended in the past and I'm sure you will hear all positive comments. Many surprises always pop up at A Wave from Japan, so wave those hands and sign up now.

As you can see, I arrange the schedule of events so you no longer have to choose which ones you'd like to attend. No event overlaps another another or if they do, it's only by a short time and you will not miss out if you have to run to another event in case your name is called for a prize. That prize will be saved for you.

Bertie's \$15 Salesroom (\$15)

Thursday, 2:30—5:30 p.m.

Okay, don't scream again about the price, because you'll be getting a lot more. For your entry fee, you will receive 3 tickets to win prizes YES, another GAME NIGHT AT THE IFDC!!!! Every 15 minutes names will be drawn for prizes and yep, the toilet paper will be making a repeat performance.

The Bertie's \$15 Salesroom is a salesroom where nothing sold is over \$15. Some great bargains can be found with a small pocketbook. Some have already let me know that they are interested in selling and have lots of items in that price range. Many are excited about this new salesroom (and don't worry, the big salesroom is still in the schedule), but nothing is better than having even another day of sales. I think you will all love the bargains and possibly going home with prizes that you have won. If you have to leave early for an event don't panic because if your name is drawn and you're not there, your prize will be saved for you. Those selling will receive 3 tickets with their \$15 sales table.

If you would like to be a table host/hostess, please fill out the form with the names of those attending that you would like to have at your table. No table host/hostess will be accepted unless they have at least eight people on their form and all those listed must be already registered for the convention. If I receive a form and those listed are not registered already, you will be notified that your request has been denied and you'll have to try again. This will get your table mates to hurry and register and not wait till the last minute. Plus don't put down names for your table without asking them first. Don't put down names assuming they just love you and want to sit with you.....you could be surprised. At the Saturday Night Dinner the Best Decorated table will win prizes!

The number of table hosts will depend on the number of attendees, so right now I don't actually know how many hosts/hostesses will be needed and it will grow as registration picks up.

Contributing to IFDC

Please let me know by April 15, 2017 if you will be donating anything for IFDC, so I can give you credit in the souvenir book. You can also email me at jimfaraone666@gmail.com.

Freebie Table Donations

Those of you who have attended past conventions are now used to our Freebie Tables at the Opening Reception. This is a great way to clean out your homes of any doll related items you may no longer want for the Freebie Tables. Items can be dolls, doll parts and heads, fabrics, trims, books, magazines, doll stands, beads, sequins, miniatures, craft things....well just about anything you don't want. This is a fun clean up time for all, but I bet you go home with other things so it's not that much of a clean up but more of a free swap meet.

Each table will have a huge bag filled with goodies and when announced, everyone at the table pours out the bag and anything in the bag you can have for free. Then once your table has finished going through the goodies, then feel more than welcome to walk around to other tables to see what's left. Most likely you'll go home with more than you donated.

You can either bring the items with you and drop them off at the Registration, or you can mail them ahead to Bruce Nygren. Let me know by April 15, 2017 if you will be donating so I can give you credit in the souvenir book.

Goody Bag Donations

If you would like to send or make things for the goody bags, you would need to send 250 items. Items in the goody bags are a great way to promote yourself or your work. Just no single business cards, though your business card could be attached to your items.

Deadline is May 1, 2017 or you can bring it with you to the convention, but goody bag items must be brought to the workroom by 10:00 a.m. Tuesday, July 5th to make it into the bags. If they arrive late, it's fine and we'll use them at the meal events on the tables. We never pass up anything.

Items can be anything doll related or things like pens or things that people could use at a convention.

Raffle Donations Form

As you may know, the registration fee never fully pays all the bills for the convention. The raffles help pay the extra expenses so any donations of raffle prizes would be greatly appreciated. Anything doll related is perfect for a raffle prize. If each person just donated 1 raffle item, it would make such a wonderful raffle room to behold! But of course more than one raffle item per person donated would be SUPER!

Name: _____ Email: _____ No. of Items: _____

Please send all raffle donations to Bruce Nygren, and please mark the front of the box "Raffle Donations". Also on our Yahoo group, in the files section there is a raffle card to fill out with your name, email and address and item you're donating to tape to your raffle donations. You can also bring your raffle donations with you and hand them in at Registration.

The Bates' Slot Tournament

\$20

Everyone has a blast at the Slot Tournament right there in the middle of the casino. This private slot tournament is just for us and is wild and fun. It is only open to 100 attendees and the machines are set up to work for free. You must get to the tournament 15 minutes before it starts so you can pick your number for what machine you'll be at. There are two 15-minute sessions you'll be playing and two groups of players.

You must get a BConnected PLAYERS CARD to enter the tournament. You can get one right in the casino and they are free. After the slot tournament as they are totaling up the scores, everyone enjoys champagne and cake and then the top 15 winners are announced and they will win a variety of prizes from dolls to paintings to dinners and more.

Believe me, this event is a fun time for those who have entered it. You'll never hear such wild screaming and laughter at any other convention and even see yourself on the big screen! Even those watching the tournament from the casino wish that they could get into the fun.....but it's a private event just for us.

Limited to 100 attendees

Deadline is May 1, 2017 (FIRM)

Servants' Bowling Tournament

\$6

Enjoy the fun at our Thursday Night Servants' Bowling Tournament at the hotel. You don't have to be a good bowler to enter (most of us stink at bowling) and there are trophies and prizes for the best team. Even if you don't want to bowl, there are seats up in the bowling alley to come watch everyone play and strike out.

Deadline to enter: May 1, 2017 or until filled

Get Your Costumes Ready

Though not a requirement at the convention, for those who like to dress up, here is the list of costume events:

The Bates' Slot Tournament - Get out your aprons and dusters, from housemaid to valet, it's time for the servants of Dollton Abbey to have some fun!

Beryl's Staff Dinner Opening Reception - The kitchen staff of Dollton Abbey take center stage, so come ready to have your own servant's meal before having to serve everyone else the rest of the convention.

Countess Violet's Debutant Luncheon - Get decked out in your 1907 costumes and hats. There just may be a contest for the best hats at the luncheon. Try to be ladies and gentleman at her debutant luncheon, but this is the IFDC so I doubt that will happen.

Servants' Midnight Bowling Tournament - A servant's work is never done. But sometimes it can be pushed aside for a while! Put those uniforms back on and come out for a fun night of lousy bowling.....we almost all stink at bowling just like a proper servant. You get to reuse costumes unless you're ambitious and want to do other servant costumes....pajamas are welcome also.

Lady Edith's Wedding Dinner - Yes, you're going to a wedding so come dressed in your favorite 1920's finery or even be a 1920's bride and give Edith some competition.....remember her first wedding didn't work out so well.

New Year's Eve at Dollton Abbey Banquet - It's 1920 so get out those Flapper outfits and tuxes for a New Year's Eve Extravaganza at Dollton Abbey. Let's ring in the New Year!

Vegetarian/Vegan Meal

Most meals at IFDC are buffet style, and a variety is provided to suit any dietary needs. However, for the Final Night Banquet you **MUST** request a **Vegan Meal Ticket** in advance! If you do not request a Ticket by May 1, You **WILL NOT** receive a vegetarian/vegan meal! (The meal will not include dairy, in order to accommodate both the vegetarian and vegan diets.) No changes with the hotel can be made after that date.

_____ Yes, I need a **Vegan Meal Ticket** for the final night banquet.

Name: _____ Phone: _____

Email: _____

Deadline is May 1, 2017

Table Gifts

Though not a requirement for this convention, it would be a nice idea to help out the table hosts and treat your table mates to a little gift at this event. If each person could bring 9 little gifts for the people seated at their table, I think it would make an exciting gesture from all. The gifts do not have to be big things. Fun things can be found in the Dollar Stores and who can pass up some little pieces of candy to munch on, or if you're artistic, create a little something for each person at your table. Again, this is not a requirement, but a fun thing for everyone.

Join the Yahoo Group for the Convention

Do join the Yahoo group for the convention at <http://groups.yahoo.com/group/IFDCConvention/> Here you will be playing monthly contests for prizes plus you will hear more about the IFDC or changes in the event. This is the group where you'll get to sign up for extra souvenir and companion dolls, so don't be lazy and not join. You'll also get to meet others attending the convention and make some friends before you even arrive. Join up today and don't miss out because I hate to hear whining! Also once I know about the souvenir and companion dolls I do report their prices on the group so you know how to budget yourself and I even post the whole menu for the convention so if you don't like the food you can hit McDonald's first.

Souvenir Shop

Once the line is finished of those purchasing their Companion dolls, the next line will form for those who are listed to purchase extra Souvenir and Companion dolls. When you registered you got an email to sign up for extra dolls. The names will be taken in order and you'll get a number(s) and there is no limit on how many extra dolls you can purchase. It's first come, first served and if you are not around when your name is called out, you will miss out on the dolls you want and go to the bottom of the list.

Well, Gang.....

That's it, and hopefully you like what you see. If you find mistakes in spelling or anything, forgive me, but Microsoft screwed up all my files (never purchase things from Microsoft) and I had to get new software which I'm trying to slowly learn. But I wanted to make sure this gets out on time and though I'm figuring out the basics, I'm still not used to this software and how to do certain things. Now to see if I can figure out how to set up the other things for the convention, but at least I have time for that with the software. A HUGE thanks to Renatta Rasmussen for getting this on the website for us.....and making me look smart!

See you all in July!
