1960's Psych-R-Dollie Implosion!

June 27-30, 2018 ~ Las Vegas, Nevada

February 2018

Hi Gang,

I am very pleased that you will be joining me in Las Vegas for the 2018, 16th International Fashion Doll Convention! We are very pleased to welcome you! I have planned many of the exciting activities normally and not normally found at conventions. You will find the Salesroom as well as Workshops, Seminars and surprises. The Souvenirs and Favors are planned to enrich your memories of the event.

Additionally, there will be a few unique events, like the "Light My Fire" Salesroom where everything is \$15 and under. Plus there will be the exciting Freebie Tables, The Jimi Hendrix Slot Tournament and a "Dancing in the Casino" Treasure Hunt. A double plus is our Souvenir Shop which opens right after the final night's banquet so you can purchase extra dolls that you signed up for or wait to see if there are extras after that to purchase. The sign up will be available as soon as you have registered for the convention.

If you would like to contribute to the surprise element, you can prepare 250 goodie bag items (no plain business cards) and send them to Bruce Nygren; his address and **IMPORTANT** specific instructions about shipping can be found later in this registration packet.

Please make your hotel reservations as soon as possible at the Orleans Resort and Casino, 1-800-675-3267. Mention that you are an attendee of the International Fashion Doll Convention (Code A7IFC07) and you will be charged for the first night's fee. The rates are \$40 plus tax Sunday thru Thursday and \$80 plus tax for Friday and Saturday (subject to change). You can easily get a cab or shuttle right outside the airport terminal by the luggage pick up. I would estimate the cab fee would be about \$23 with tip and the shuttle is about \$17 round trip. If taking a cab tell the driver to go down Tropicana since that is a shorter way and cheaper.

Please read the material in this packet very carefully (no extra charges for my spelling mistakes). Pay attention to deadlines as some are firm. It is a wise idea to keep copies of all the forms that you send back to me.

You must attend each event to receive your souvenirs and goodies. Plus your Name Tag **MUST** be worn at all times. Registrations are non-transferable without permission.

IMPORTANT

A \$50.00 cancellation fee will be charged for all registrants requesting cancellation prior to May 1, 2018. After May 1, 2018 **NO** part of the registration will be refunded and there will be **NO** mailings of items and souvenirs from the convention. In other words, you'll get nothing!

Look forward to seeing you in Las Vegas.....and if you have any questions, please feel free to ask!

Jim Faraone

Rules & Regulations

Name Badges: Attendees must wear their name badges at all times to gain admittance to any and all functions. If you do not have your name badge, not only will you be turned away from events so you can go back to your room to get it.... we'll also make you eat in the lobby or rest room on a snack tray. Anyone caught giving their name tag to others to sneak in will be thrown out of the convention after a barrage of "F" bombs.

Access to Convention: Only individuals registered for the convention are allowed at the convention functions. An exception is salesroom access for convention dealers' non-registered helper. They will have a salesroom helper name badge so they have access. NO non-registered helper can attend any other event and they know who they are. Though they may not know, since they have been drawn and quartered and have been banned from the IFDC.

Cancellations: There will be a \$50 cancellation fee for anyone who cancels before May 1, 2018 and after May 1, 2018 no part of the registration fee will be returned and no convention goodies or souvenir dolls will be mailed out. We have to make money some way since I already ordered your meals and favors and the homeless are real fussy about leftovers.

Convention Souvenirs: In order to receive your souvenirs, including but not limited to the convention doll, attendees must be present at the convention events at the time the souvenirs are given out. No asking around what the goodies are so if you think they're junk you'll stay away to play the slots or see Donny and Marie at another hotel. If there is a major problem, just see me. Don't schedule your flight home early so you miss out on the souvenir doll and companion doll. Buck the traffic like everyone else, and no thinking you're special. Remember that those who leave the party early get talked about.

Cameras and Filming: It is advised that you bring your cameras and video equipment to take home some good memories of a special time and new friends....not to mention the wild costumes. So keep affairs home!

Pets: Pets are not permitted at any convention function or at the hotel. An exception is made for animals assisting those in need. Also if your registered mate is called a dog, rat, snake, weasel or whatever, they will only be permitted at the events if they can prove that they can pee without lifting one leg.

Stealing: Stealing is not acceptable at the IFDC. Anyone caught stealing (this does not include the soap and toiletries in your hotel room) will be prosecuted to the fullest extent and if that doesn't work, your hands will be cut off and put on display at the 2019 IFDC. Remember that Vegas has cameras all over the place watching you, so don't be dumb.

Cranky Aes and Snobs:** No cranky a**es and snobs are allowed at the IFDC. If you are one of those, please leave the attitude home and just come expecting to have a fun time...and let everyone else have a fun time. Little goofs are fine, since I never trust anyone who is happy 24 hours a day either....but no major continuous, annoying attitudes allowed.

Safety: Please remember safety at the convention, and the IFDC is not responsible for injuries at the convention. Please be aware of your surroundings, especially those with motorized wheelchairs...we are not responsible for tire marks on your butt.

Purchasing and Checks: Be wise.....and unless you know someone really well, never pay for an item without receiving the merchandise right then and there. Be wise and know the person first before paying for something you will receive at a later date. Also never take a check from someone you don't know, it's always better to play safe than be sorry later....no matter what tales or sob stories they may give you.

Also the IFDC does not have a credit card machine, so when purchasing things from the IFDC either cash or check will work..... and those who bounce checks and don't make up for them will be announced at the next year's convention and on the internet....so think twice about scamming!

Durelle Brown

Thursday, 9:00—10:30 a.m.
Durelle_deco@yahoo.com

ALOHA doll makers, this summer "The birds say words and the flowers croon in the Tiki Tiki Tiki Tiki Room". We will be making hand crafted Tiki bars for our dolls! So when Don Draper saddles up to the bar to order a Mai Tai our girls can happily offer up a mad men 60's spirit of a tropical island. Scaled for 11.5 dolls, the bar is a kitschy fun design. I will be offering for sale a few bar stool kits because there will not be time in class to do them. Who knows, I may toss in a sculpted tiki statue as a bar decoration and some tiki mugs!

REQUIRED TOOLS: Please bring to class a straight edge stylus or seam ripper for creasing, and scissors.
OPTIONAL: I will provide glue but if don't want to share you can bring your own (Aleene's tacky glue is what I use.)

60's Retro Portable Record Player (\$25)
Durelle Brown

Friday, 9:00—10:30 a.m.
Durelle_deco@yahoo.com

Get ready to rock around the clock when your dolls have their next 60's sock hop or slumber party! We will be making 1/16 scale suitcase style portable record players just like the ones we had as kids! Along with the player we will also make some records with album jackets from your favorite 60's artist. We will have lots of fun and you will walk out with a cool retro style record player for your dolls!

REQUIRED TOOLS: Please bring to class a straight edge stylus or seam ripper for creasing, and scissors.
OPTIONAL: I will provide glue but if don't want to share you can bring your own (Aleene's tacky glue is what I use.)

Crazy About Re-Ment (\$15)
Renatta Rasmussen

Friday, 1:30—2:30 p.m.
renatta1363@gmail.com

I'm crazy about Re-Ment, how about you? Let's get together for an hour at IFDC and talk about it. I've been collecting Re-Ment since the very beginning in 2002; I'll bring a few of the older, more rare, or more interesting items for display. If you've got something unique, something you've made, or just some favorite pieces, you are welcome to bring those for display too! We'll review some of the ups and downs of Re-Ment miniatures, and take a look at what people are doing to display, store, or craft with their miniatures. There will also be a few door prizes, including a giveaway for the new closet and shelf room boxes that just came out this year. Everyone who attends will receive a printable project (minimal assembly may be required) they can use with their dolls and Re-Ment. Come get Re-Mental with me!

Other Events - Descriptions

Stonewall, Love In Dance / Karaoke Night (\$10)

Thursday, 8:00—11:00 p.m.

Stonewall, Love In.....Tune Out and Turn On 60's Drag Dance/Karaoke Night! It will be an Ultimate Love In... with dancing, drinking, Drag, and even Karaoke... and could there be "Drugs" given out at this event to make you Tune Off and Turn On?

"Light My Fire" \$15 Salesroom (\$15)

Thursday, 2:30—5:30 p.m.

Okay, don't scream again about the price, because you'll be getting a lot more. For your entry fee (as a shopper, you do not pay in advance, only when you arrive at the door), you will receive 3 tickets to win prizes YES, another GAME NIGHT AT THE IFDC!!!! Those selling will receive 3 tickets with their \$15 sales table. Every 15 minutes names will be drawn for prizes and yep, the toilet paper will be making a repeat performance.

The Light My Fire Salesroom is a salesroom where nothing costs more than \$15. Some great bargains can be found with a small pocketbook. This has been a very successful addition to the IFDC, like room sales without all the running up and down the elevators (and don't worry, the big salesroom is still in the schedule, but nothing is better than having another day of sales). I think you will all love the bargains and possibly going home with prizes that you have won. If you have to leave early for an event don't panic because if your name is drawn and you're not there, your prize will be saved for you.

If you want to be a seller at this event, send in the form below with your \$15 (per table) paid in advance to reserve your spot. You may reserve more than one table.

Table Host / Hostess Contest

If you would like to be a table host/hostess, please fill out the form with the names of those attending that you would like to have at your table. No table host/hostess will be accepted unless they have at least eight people on their form and all those listed must be already registered for the convention. If I receive a form and those listed are not registered already, you will be notified that your request has been denied and you'll have to try again. This will get your table mates to hurry and register and not wait till the last minute. Plus don't put down names for your table without asking them first. Don't put down names assuming they just love you and want to sit with you.....you could be surprised. At the Friday Night Dinner the Best Decorated table will win prizes!

The number of table hosts will depend on the number of attendees, so right now I don't actually know how many hosts/hostesses will be needed and it will grow as registration picks up.

Deadline is June 1, 2018 (or until tables are full)

Shipping Items to Bruce Nygren

Certain convention items can be shipped ahead to Bruce Nygren, to be held until IFDC. Bruce and Peter really help the IFDC by letting us mail the convention things to them, which they store in their home. That is why I ask you not to send them things that have to be signed for or that they have to go pick up. Also, don't send personal things to Bruce because we have to load trucks and unload trucks and unpack things, so we only want things directly for the convention going to Bruce's home.

You must clearly label each package with its contents, such as "Raffle Donations", "Freebie Table Donations", "Goody Bag Donations", etc.

Bruce Nygren
7882 McDowell Dr.
Las Vegas, NV. 89129-5522

Remember, NO PERSONAL ITEMS, AND DO NOT SEND ANY BOXES WHERE BRUCE NEEDS TO SIGN FOR THEM OR PICK THEM UP AT THE POST OFFICE! OTHERWISE THE BOX WILL BE REFUSED AND RETURNED TO YOU!

Contributing to IFDC

Please let me know by April 15, 2018 if you will be donating anything for IFDC, so I can give you credit in the souvenir book. You can also email me at jimfaraone666@gmail.com.

Freebie Table Donations

Those of you who have attended past conventions are now used to our Freebie Tables at the Opening Reception. This is a great way to clean out your homes of any doll related items you may no longer want for the Freebie Tables. Items can be dolls, doll parts and heads, fabrics, trims, books, magazines, doll stands, beads, sequins, miniatures, craft things....well just about anything you don't want. This is a fun clean up time for all, but I bet you go home with other things so it's not that much of a clean up but more of a free swap meet.

Each table will have a huge bag filled with goodies and when announced, everyone at the table pours out the bag and anything in the bag you can have for free. Then once your table has finished going through the goodies, then feel more than welcome to walk around to other tables to see what's left. Most likely you'll go home with more than you donated.

You can either bring the items with you and drop them off at the Registration, or you can mail them ahead to Bruce Nygren.

Goody Bag Donations

If you would like to send or make things for the goody bags, you would need to send 250 items. Items in the goody bags are a great way to promote yourself or your work. Just no single business cards, though your business card could be attached to your items. Items can be anything doll related or things like pens or things that people could use at a convention.

Deadline is May 1, 2018 or you can bring it with you to the convention, but goody bag items must be brought to the workroom by 10:00 a.m. the Tuesday before the convention to make it into the bags. If they arrive late, it's fine and we'll use them at the meal events on the tables. We never pass up anything.

Raffle Donations Form

As you may know, the registration fee never fully pays all the bills for the convention. The raffles help pay the extra expenses so any donations of raffle prizes would be greatly appreciated. Anything doll related is perfect for a raffle prize. If each person just donated 1 raffle item, it would make such a wonderful raffle room to behold! But of course more than one raffle item per person donated would be SUPER!

Name: _____ Email: _____ No. of Items: _____

Please send all raffle donations to Bruce Nygren, and please mark the front of the box "Raffle Donations". Also on our Yahoo group, in the files section there is a raffle card to fill out with your name, email and address and item you're donating to tape to your raffle donations. You can also bring your raffle donations with you and hand them in at Registration.

Be an Event Sponsor

If you're a company, dealer or an individual and would like to sponsor part of an event, here is what you'll be able to sponsor. Yes, those at one table could chip in also to sponsor part of an event. Each item must be at least \$25 or more and below is the list of events to be sponsored. Each sponsor (and their table mates) will get to sit at tables 3-10 (or the next few numbers) and will always be up front at each meal event, and your name will be listed as a sponsor in the souvenir book plus a free quarter-page ad. Some have already pledged to be a sponsor, so the list is not long and the more the merrier. You can send the items to Bruce Nygren, or you can bring them with you to the convention.

American Protest Opening Reception - Time to get down and dirty in your 60's Hippy protest ensemble.....your costumes don't even have to be washed...and neither do you. Join Janis Joplin and other performers for a rip-roaring Protest tiume!!!

Folk Singers Dinner - Join Peter, Paul and Mary and dress in your Hippy attire...this time washed, and that goes for your costume and you. Make Mama...or should I say The Mamas and the Poppas proud of you.

It's a great way to get noticed by the other conventioners. This ad is text only; logos or other images cannot be included. Print out your ad the way you want it written, and attach it to this form.

Deadline is April 1, 2018

Table Gifts

Though not a requirement for this convention, it would be a nice idea to help out the table hosts and treat your table mates to a little gift at this event. If each person could bring 9 little gifts for the people seated at their table, I think it would make an exciting gesture from all. The gifts do not have to be big things. Fun things can be found in the Dollar Stores and who can pass up some little pieces of candy to munch on, or if you're artistic, create a little something for each person at your table. Again, this is not a requirement, but a fun thing for everyone..... Don't be cheap... do something!

Join the Convention Yahoo Group

Do join the Yahoo group for the convention at <http://groups.yahoo.com/group/IFDConvention/>
Here you will be playing monthly contests for prizes plus you will hear more about the IFDC or changes in the event. This is the group where you'll get to sign up for extra souvenir and companion dolls, so don't be lazy and not join. You'll also get to meet others attending the convention and make some friends before you even arrive. Join up today and don't miss out because I hate to hear whining! Also once I know about the souvenir and companion dolls I do report their prices on the group so you know how to budget yourself and I even post the whole menu for the convention so if you don't like the food you can hit McDonald's first.

Souvenir Shop

Once the line is finished of those purchasing their Companion dolls, the next line will form for those who are listed to purchase extra Souvenir and Companion dolls. When you registered you got an email to sign up for extra dolls. You'll get a number(s) and the names will be taken in order. This year there is a limit of one (1) extra Souvenir and one (1) extra Companion doll per person. It's first come, first served and if you are not around when your name is called out, you will miss out on the dolls you want and go to the bottom of the list.

Well, Gens.....

That's it, and hopefully you like what you see. If you find mistakes in spelling or anything, forgive me, but Microsoft screwed up all my files (never purchase things from Microsoft) and I had to get new software which I'm trying to slowly learn. But I wanted to make sure this gets out on time and though I'm figuring out the basics, I'm still not used to this software and how to do certain things. Now to see if I can figure out how to set up the other things for the convention, but at least I have time for that with the software. A HUGE thanks to Renatta Rasmussen for getting this on the website for us.....and making me look smart!

See you all in June!
